Developed by the Foundation Center, a nonprofit organization with more than 50 years of experience connecting grantseekers and grantmakers, *Foundation Directory Online* is the nation's premier grantseeking database. Updated weekly, it provides the most current, comprehensive, and accurate information available on U.S. grantmakers and their funding activities.

The Foundation Center continually monitors more than 35 information sources to verify the details in our comprehensive profiles. To ensure accuracy, we are in constant communication with grantmakers nationwide through surveys and electronic updates. Grant records as well as funder profiles are meticulously indexed, providing more than 1,100 search terms for subject areas and fields of interest.
